

BULGARIAN ACADEMY OF SCIENCES INSTITUTE OF POLYMERS

OPEN DOORS

Dear guests and colleagues,

On 21 May 2014 the Institute of Polymers provides an opportunity for everyone to learn more about recent achievements in the field of new polymers and polymeric materials.

PhD study programs and undergraduate students training programs, as well as expert services of the Institute will be presented.

From 16 to 20 June at the Institute will be organized an exhibition dedicated to the 25th anniversary of the laboratory "Bioactive polymers" and "10 years of electrospinning in Bulgaria."

Sofia, "Acad. G. Bonchev" str., block 103A

Start: 9⁰⁰

End: 17⁰⁰
